INTRODUCTION

Ontario Royal Commissions and Commissions of Inquiry, 1867-1978: A Checklist of Reports, published by the Legislative Library, Research and Information Services in 1980, listed the reports of 177 commissions. This first supplement includes the reports of 12 commissions published during the period 1979-1984. Sequential numbering of the reports has been retained.

A list of addenda, errata and notes updates the original Checklist. As in the previous volume, there is an index of commissioners as well as a topical index covering all reports from 1867 to 1984.

A limited number of copies of the original Checklist are still available from Ontario Publications Services.
